## Congratulations on successfully completing the ***STMS Mobile practical workshops***

*This certificate confirms you have successfully gained your STMS Mobile practicing qualification.*

This certificate serves to advise that you have successfully completed the specified qualification with your TTM Assessor from Professional Traffic Services Ltd on the stated date. You are authorised to use this qualification immediately and please present this letter until such time as you receive your Transit Application Identification Card.

Once your qualification is processed by NZTA, your qualification status will appear on the CoPTTM NZTA public search. Please be aware that this can take up to three months.

The application papers are sent to the NZ Transport Agency and once the registration process has been completed final confirmation will be forwarded to you at the specified address on your registration form. Should you require further information regarding this process please contact the CoPTTM Administrator at the NZ Transport Agency – the email address is [copttmquals@nzta.govt.nz](mailto:copttmquals@nzta.govt.nz)

If you wish to continue with your TTM career, you can complete this training through Professional Traffic Services by contacting us on 07-843-2360 or email us at [training@professionaltrafficservices.co.nz](mailto:training@professionaltrafficservices.co.nz)

Best wishes,
